Re: ERA in North Carolina

Barbara Dixon of Sen. Bayh's staff called to ask that Mrs. Carter Place four phone calls to Democratic legislators in North Carolina. The bill is now in Committee and is on the calendar for a vote January 26. The following Legislators are pro-ERA, but are perceived as needing a little (a lot) of support for this decision to vote yes.

Peter Hairston	Home	704/998-4822
Foyle Hightower	Home	704/694-2935
Hector Ray	Home	919/484-5798
Mrs. Myrtle Wiseman	Home	704/765-4524

It is suggested that the calls be made next Sunday or Monday. Mrs. Ford has agreed to make a few similar calls to Republicans.
